EXPERIENCED COMMERCIAL PAINTERS WITH THE NEXT GEN FLAIR
Blending quality, professional craftsmanship, reliability and customer care

Who We Are

Next Gen Painting is an exceptional painting and decorating service provider, operating in South East Queensland and the Tweed Coast. The company was established in 2014 but began life as a partnership in 2009, and today we employ a dozen painters and apprentices. All of our staff are professional painters and either fully qualified or working towards a Cert III in Painting & Decorating. Founder Danny Cotton is UK-trained in painting and decorating and has more than 20 years experience in his trade, and 9 years experience as a business owner.

Our Capabilities

Our capabilities include:

- Interior and exterior painting and repaints
- New builds painting
- Roof painting
- High rise painting and maintenance
- Protective coatings
- Specialty coatings
- Texture finishing
- Timber finishing
- Custom colour matching

Why We're Different

A key area that sets Next Gen Painting apart from other painters is our focus on quality outcomes. We spend time with each of our clients, providing colour advice and colour matching expertise; and we never compromise on the quality of the paints we use.

We're a highly reliable and responsive business and we never make promises we can't keep, so our clients know that if we've committed to do something we'll always follow through and deliver.

We think like our clients and what's important to them is important to us. This means attention to detail throughout every aspect of the job and our detailed preparation work is designed to extend the life of every paint job. We value honesty and integrity and we take pride in always doing what we say we will.

Our extensive use of Haymes paint systems ensures we deliver consistent results, time after time. Haymes Paint is a certified, quality-assured company under the International Standard ISO 9001: 2008.

Health & Safety Focussed

The safety of our workers is a top priority and we have invested in the development of a comprehensive Occupational Health & Safety System, which includes detailed safety policies and procedures. Risk identification, assessment and control is deeply embedded in our culture and we are extremely proud of our high efficiency record and no injuries.

Quality & Attention to Detail

At Next Gen Painting we use the highest quality paints that are low VOC, APAS-approved and environmentally friendly. All of our painters are trained to pay close attention to detail and our foreman is accountable for the quality of each job we work on. Founder Danny Cotton also personally inspects every completed job to ensure it is up to the high standards he sets for Next Gen. Our crew are passionate about painting and we firmly believe that by paying attention to the little details, we'll deliver an outstanding result to our clients, time after time.

Our Key People

Danny Cotton

Director and Chief Quality Controller

Founder Danny Cotton has more than 20 years hands-on painting proficiency. With a decade of experience in the UK in the first half of his career, Danny is a highly skilled decorator, with a solid knowledge and skill in all aspects of painting and decorating. Danny's main focus is on business development and he has the final quality assurance sign off on every job undertaken by Next Gen Painting.

Brendan Broomhall

Foreman

Brendan has been with Next Gen from the day the company was formed and he has more than 25 years painting experience. He allocates work to each of our team members and ensures they work safely through regular meets, which take place prior to commencement each day. He checks quality at every stage of the job and is the key onsite liaison with our customers and our Director Danny Cotton to ensure everyone is happy with the way the job is progressing.
